PART I: GENERAL PART

1.1 Scope of Application

- 1.1.1 The Procuring and Disposing Entity invites applications for the short list of works, services and supplies described in **Appendix B**.
- 1.1.2 Throughout this document:
- (a) the “Applicant” means the bidder submitting an application; and
 - (b) “Application” means a bid or submission to be short-listed.

as defined in the Public Procurement and Disposal of Public Assets Act and Regulations, 2003 of the Government of Uganda.

1.2 Source of Funds

- 1.2.1 The Procuring and Disposing Entity has an approved budget from Government funds towards the cost of the procurements described in **Appendix B**. The Procuring and Disposing Entity intends to use these funds for payments under the contract(s) resulting from the bidding for which this short list is conducted.

1.3 Corrupt Practices

- 1.3.1 It is the Government of Uganda’s policy to require that Procuring and Disposing Entities, as well as Applicants, Providers and Providers, observe the highest standards of ethics during procurement and the execution of contracts. In pursuit of this policy, the Government of Uganda represented by the Public Procurement and Disposal of Public Assets Authority (herein referred to as the Authority):
- (a) defines, for the purposes of this provision, the terms set forth below as follows:
 - (i) “corrupt practice” includes the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) “fraudulent practice” includes a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring and Disposing Entity, and includes collusive practices among Providers prior to or after bid submission designed to establish bid prices at artificial, non competitive levels and to deprive the Procuring and Disposing Entity of the benefits of free and open competition;
 - (b) will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract; and
 - (c) will suspend a Provider from engaging in any public procurement proceeding for a stated period of time, if it at any time determines that the Provider has engaged

in corrupt or fraudulent practices in competing for, or in executing, a Government contract.

- 1.3.2 In pursuit of the policy, the Government of Uganda requires representatives of both the Procuring and Disposing Entity and of Providers to adhere to the relevant codes of ethical conduct. The Code of Ethical Conduct for Providers is available from the Authority and Providers are required to indicate their acceptance of this code through the declarations in the **Application Submission Sheet**.

PART II: INSTRUCTIONS TO PROVIDERS

2.1 Introduction

Uganda Industrial Research Institute will evaluate and short list all eligible companies for the provision of various works, services or supplies for the Financial Years **2024/2025 - 2025/2026**. Once a firm has been short listed, it will be invited, several times during the financial year, to submit a proposal for the provision of some or all of the works, services or supplies. Uganda Industrial Research Institute reserves the right to add similar types of works, services or supplies to the list in *Appendix B*.

2.2 Objectives

Uganda Industrial Research Institute invites sealed Applications from reputable providers for works, services or supplies for the provision of various works, services or supplies for 2 Financial Years **2024/2025 - 2025/2026**.

The list of items required during the above mentioned financial year is given in *Appendix B*. Procuring and Disposing Entities should note that the works, services or supplies are not restricted to those listed in *Appendix B*.

2.3 Eligible Applicants and Countries

2.3.1 An Applicant, and all parties constituting the Applicant, shall meet the following criteria to be eligible to participate in public procurement:

2.3.2 All countries are eligible except countries subject to the following provisions. A country shall not be eligible if:

- (a) as a matter of law or official regulation, the Government of Uganda prohibits commercial relations with that country, provided that the Government of Uganda is satisfied that such exclusion does not preclude effective competition for the provision of supplies or related services required; or
 - (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Government of Uganda prohibits any import of Supplies from that country or any payments to persons or entities in that country”.
- 2.3.3 An Applicant shall be a natural person, private entity, government-owned entity, subject to 2.3.9, or any combination of them with the formal intent to enter into an agreement or under an existing agreement in the form of a joint venture, consortium or association. - 2.3.4 An Applicant and all parties constituting the Applicant shall have the nationality of an eligible country. An Applicant shall be deemed to have the nationality of a country if the Applicant is a citizen, or is constituted, incorporated or registered and operates in conformity with the provisions of the laws of that country.

A firm, if acting in the capacity of Subcontractor in any bid, may participate in more than one bid, but only in that capacity. A Bidder who submits, or participates in, more than one bid will cause all the proposals in which the Bidder has participated to be disqualified.
- 2.3.8 A firm that is under a declaration of suspension by the Authority at the date of submission of the application or thereafter, shall be disqualified.

- 2.3.9 Government-owned entities in Uganda shall be eligible only if they can establish that they are legally and financially autonomous, and operate under commercial law, and that they are not a dependent agency of the Procuring and Disposing Entity.
