## Career Notice

# Bakery Technology Supervisor

Status: Archived

Application deadline: April 10, 2025 at 17:00 hrs EAT

Duty station: Kampala

Attention: Executive Director

## Job Summary

The Bakery Technology Supervisor oversees operations of the Bakery Technology unit at UIRI and ensures the unit's objectives are met.

## Key Responsibilities

- Oversee activities in the Bakery Technology unit to ensure smooth workflow and efficient production processes.
- Train, mentor and manage production and support staff in the Bakery Technology unit.
- Oversee implementation of GMPs, GHPs and other quality management protocols.
- Provide oversight to UIRI's satellite bakery establishments.
- Maintain plant records relating to supplies, inventory and production.
- Prepare work plans, budgets, requisitions and reports for the unit.
- Perform any other duties as may be assigned.

## Requirements

- Bachelor's degree in Food Science and Technology, Bakery Technology or a related field.
- Minimum of three years of experience in bakery operations or a food production environment.
- Proven experience in a supervisory role is highly desirable.

## How to Apply

- Submit a cover letter, CV and academic documents to the address provided.
- Address submissions to Uganda Industrial Research Institute, Plot 42A Mukabya Road, Nakawa Industrial Area, Kampala.
- Ensure to sign the register of received applications.
