## Career Notice

# Production Manager

Status: Archived

Application deadline: April 21, 2025 at 17:00 hrs EAT

Duty station: Kampala Industrial and Business Park, Namanve

Attention: Director Finance & Administration

## Job Summary

The Production Manager at UIRI's Namanve Campus (MMISDC) oversees production functions and ensures operations are efficient, effective and sustainable.

## Key Responsibilities

- Plan, coordinate and control manufacturing processes and resources to service orders and achieve production goals.
- Monitor, document and optimise production workflows to improve efficiency and reduce waste.
- Contribute to strategic planning for the facility and align production goals with organisational objectives.
- Supervise engineers, technicians, operators and trainees while ensuring adherence to safety and quality standards.
- Conduct regular audits of production processes and outputs and address issues promptly.
- Prepare budgets and reports for the production function of MMISDC.
- Perform any other duties as may be assigned.

## Requirements

- Bachelor's degree in Mechanical Engineering, Process Engineering, Industrial Engineering, Manufacturing Engineering or a related field.
- Minimum of five years in a senior supervisory or management position in a reputable entity engaged in heavy-duty manufacturing.
- Professional accreditation with industry-relevant associations or bodies is an added advantage.

## How to Apply

- Submit a cover letter, CV and academic documents to the address provided.
- Address submissions to Uganda Industrial Research Institute, Plot 42A Mukabya Road, Nakawa Industrial Area, Kampala.

- Ensure to sign the register of received applications.
